

**Northern Illinois University
Department of Chemistry and Biochemistry
Spring 2007 Graduate Colloquium Schedule**

Unless otherwise noted, all of the following colloquia are funded in part by the NIU Graduate Colloquium Committee and will be held in Faraday West 201 at 4 p.m. on the dates indicated. Unless otherwise noted, all colloquia will be preceded by a reception at 3:30 p.m. in Faraday West 300.

Date	Speaker/Title
January 29	Professor Joshua Coon, Department of Chemistry, University of Wisconsin, Madison <i>Advancing Proteomics with Ion/Ion Chemistry</i>
February 26**	Professor Viktor V. Zhdankin, Department of Chemistry, University of Minnesota Duluth <i>Hypervalent Iodine Reagents in Organic Synthesis</i>
March 5	Professor Daniel P. Becker, Department of Chemistry, Loyola University <i>Medicinal Chemistry to Supramolecular Chemistry</i>
March 19**	Professor Diana S. Aga, Chemistry Department, University of Buffalo <i>Biodegradation and Fate of Pharmaceutical Contaminants in the Environment</i>
April 2**	Professor Christine S. Chow, Department of Chemistry, Wayne State University <i>Synthesis, Structure, and Ligand-Binding Studies of Modified Ribosomal RNAs</i>
April 9**	Professor Jay A Siegel, Forensic and Investigative Sciences Program, IUPUI <i>The Analysis and Dating of Ink Dyes of Forensic Interest</i>
April 16**	Professor Chuan He, Department of Chemistry, The University of Chicago <i>Chemistry of Silver and Gold and Virulence and Antibiotic Resistance Regulation in Pathogens</i>
April 23	Professor Michael A.J. Rodgers, Department of Chemistry, Bowling Green State University <i>TBA</i>
April 30	Professor David Berkowitz, Department of Chemistry, University of Nebraska <i>Navigating at the Synthetic Organic/Enzymatic Interface: New Findings</i>

*Funded by the Department of Chemistry and Biochemistry, Northern Illinois University.

**Funded by the Graduate School Colloquium fund.
